The Big March Sale To Be Continued For Ten Days

— WE HAVE DECIDED TO CONTINUE THE —

Big Furniture Sale at Our Store for the First 10 Days in the Month of April

There have been great number of our country friends who have been unable to attend the sale and have expressed a desire to take advantage of some of the unusual low sale prices that have prevailed on our entire stock during the month of March.

Since we started the sale, load after load of furniture has been received by us from the large manufacturers, which we have decided to throw in this wind-up sale. We are reserving only the Victrolas and Columbia Grafanolas, which we are unable to reduce for this sale, but there are remarkable reductions on every piece of furniture in our two large rooms, and with the steadily advance of price in this line, you can not possibly make a mistake in buying, for the future

Remember we do as we advertise. If we quote a price in our advertisement, you will find that we live up to that price, regardless of market conditions.

We take pleasure in teling you that a carload of Leonard Refrigerators will be received this week, and will be inleuded in this sale at the same reduction of price that prevails on all other stock.
